## **Online Bill Pay Information**

Dear Member,

If Payroll Deduction is not available to you through your employer, you may be able to add the Credit Union as a “payee” with online bill pay through your primary banking institution. A paper check will be mailed to the Credit Union from your checking account. Remember to allow adequate time for delivery through the mail as **loan payments are always due on the last business day of each month.**

Add the Credit Union’s name & address as a “payee” on your online bill pay and enter your name on the memo line:

**NE CT Healthcare Credit Union, Inc.  
320 Pomfret St.  
Putnam, CT 06260**

All other deposits should be made in the Credit Union office during our business hours. During closed office hours, you may safely put deposits through our locked door mail slot with envelopes available in the basket outside the Credit Union door.
